

Dear Friends,

Every day we hear about the toll violence takes—in our community and across the country. We hear about the devastating effects on children, women, men, families, and our community as a whole. What we don't hear often enough is praise for the men in our community who have made a difference by not participating in violence and by supporting peace in the family.

This year is the 10th anniversary of our annual Father's Day ad, so we hope you will help make it better than ever. We are encouraging our friends and supporters to honor the men in their lives who have made a difference by supporting peace in the family. Family Violence & Rape Crisis Services and the Coalition for Family Peace invite you to add the names of these men to an advertisement in the Chatham News and Chatham Record. The ad will say: "Strong Men are Gentle Men. On Father's Day we honor the following men who have taken a stand for peaceful families. We recognize their contribution to building a strong and healthy community."

If you would like to participate, please return the form below and your contribution of \$25 per name by **Monday, June 7**, so that we can include your name(s) in the ad to run on June 17. If desired, we will also send a card to your honored person(s) before Father's Day, letting them know that you have chosen to honor them in this fashion.

Thank you for helping make Chatham County a safer place for all of our families.
